

Place this in your science binder after it is completed each day!

Name _____

Date _____ Class Hour _____

8th Grade Science - 2nd Quarter CHEMISTRY Reading & Note-taking.

You may take notes in any form that works best for you. It is advised to keep accurate and detailed notes on the sections you read. REMINDER: Notes are in your own words, not copying straight from the book. Make sure it makes sense to you!

Labeled illustrations are great, too!

Book: Chemistry /Glencoe Science

Chapter: _____ Section: _____ pages: _____
